Suffered but little less. In fact, Millard county's loss is very great. Many, handled in an able and interesting manner, as was the evening lecture on literature and liberal culture.

It has been arranged that some of professor Grires noming because will be a county because of the state of the state sunday evening.

Professor Griggs' popular fectures will-be delivered in the neighboring towns in order to give a larger num-ber of people the pleasure of hear-ing him He will lecture Tuesday even-ing in Pleasant Grove, Thursday even-ing in Spanish Fork and Friday even-During the day a programme of ex-

ercises was arranged for the summer school, which convenes rext Monday after the lecture course of Professor Griggs is closed.

FOURTH DISTRICT COURT.

FOURTH DISTRICT COURT.

The following business was transacted in the Fourth district court today:
James A. Hadfield of Springville was arraigned on an information charging forger. M. M. Warner was appointed to defend and the sheriff was ordered to notify Samuel Hadfield, the father of the boy, of the arrest and the charge against him. Defendant took fill tomorrow to plead.

In the case of Hettle Freeman vs. John A. Brown, sheriff et al., judgment was rendered for plaintiff in the sum of 1170 and costs. Defendant sold personal property under an execution in favor of Joshus Cassey against J. J. Freeman, husband of plaintiff in this case. Mrs. Freeman claimed the property and brought suit for its value with the shove resuit.

The case of B. K. Bloch & Co. vs. Julian Rellicy et al. was tried on the cross complaint of Mrs. H. E. Raw-

How Pioneer Day Was Cele- lings, one of the parties to the suit. The cross-complaint charges plaintiffs with the conversion of certain saloon fixtures used in a saloon formerly conducted by Mr. Reilley in Provo, which plaintiffs took possession of under a chattel mortgage by Mr. Reilley. Mrs. Raw-lings claims that she was the owner of one-half of the property, and asks to be awarded its value, placing the amount

Through the South.

Business Trasnacted in the RICHFIELD, July 27 .- Peter Jensen, the enterprising hotel man, came home last night from an extended trip in southern Utah. Mr. Jensen is interested in mail contracts, which reach as far as St. George, and he visited fortyseven settlements while he was away. This morning Mr. Jensen gave a very interesting account of the floods and of the damage that had been done by

many acres of lucern and other crops were covered with mud from eighteen to twenty inches deep. Taking all the damage done, still it has done more good than harm. The country was drying up and those who now have crops will have good ones. The country is wet from four inches to four feet deep and the ranges were terribly in need of the wetting. The greatest loss is to farmers; the greatest good to stock meh. Utah Lonn & Trust Building. Telephone 135.

Ogden, July 28.

COUNTY BUSINESS. The board of county commissioners

met yesterday and transacted business ST. LOUIS, Mo., July 27.-Each pitcher kept his opponents down to nine hits, but Frazer gave four men bases on balls and the Browns were to win, though they made some rank errors. The Coloneis fielding was almost perfect. Attendance, 1,500. Score: St. Louis, 6; hits 9, errors, 3. Louisville, 3; hits, 9; errors, 1. Batteries—Kissinger and Murphy; Frazer and Dexter.

Victory in the Ninth. CINCINNATI, O., July 27.-The Reds batted out the victory in the ninth inning, after having been unable to score a run up to that time. Atlendance, 5,000. Score: Cinelmati, 3; hits 8, errors 3. Cleviand, 2; hits 7, errors 1. Batteries—Rhines, Fisher and Batteries—Rhines, F Peitz; Cuppy and Zimmer.

many acres of lucern and other crops

THE DIAMOND.

Made Rank Errors.

Colts Won.

CHICAGO, HL, July 27.-The Colts won today in the first inning. Hawy started in to pitch for the Pitts-orgs, but after having hit a batsman, given a base on balls and being pounded for a double and a single, four runs resulting, gave way to Hast-ings. Attendance; 1,000. Score: Chi-cago, 9; hits 9, errors 0. Pittsburg, 3; hits 9, errors 2. Eatteries—Friend and Donohue; Hawley, Hastings and Mer-ritt.

WHAT BYNUM THINKS.

INDIANAPOLIS, Ind., July 27.-Ex-Congressman Bynum who is a member of the sub-committee of sound money Democrats that is arranging for a national convention to nominate a sound money ticket, said today that fifteen states have already indicated that they will be represented at the meeting in this city August 7. are a few of the far western states that will not be represented at the meeting of August 7, he says, because the time is too short. Bynum says Minnesota has already appointed dele-gates. Texas has organized and Kansas has sent word that the state will be organized immediately.

NATIONAL RESERVE ASSOCIATION. KANSAS CITY, July 27.-The third blennial session of the supreme lodge of the National Reserve association convened here today. Only a small proportion of the delegates have ar-rived and but little work was acall the ditches were filled. The people and domestic animals were nearly choking for water, but the river was so foul and muddy that it was of no use.

We hadn't had a drink of water for a long time, but we couldn't settle the water enough to use.

TOQUERVILLE, LEEDS AND HARRISBURG

TOQUERVILLE, LEEDS AND HARRISBURG accordingly settled down to business, and made a very pretty race for the balance of the distance, Billy winning by three or four open lengths and Samantha making a good second. Time, were not injured by the floods and the soft was wet down about four inches.

The quadrantal election of officers with the held tomorrow. The quadrennial elec-will be held tomorrow.

### EXTINCT VOLCANO.

Professor Todd Believes He Has Discovered One in the Black Hills. SIOUX CITY, Iowa, July 27 .- Profes-

sor J. E. Todd, state geologist of South D. Dakota, who recently left Vermillion in for a tour of exploration in the Black Hills and vicinity, is sending back reports of much interest concerning the discovery of what looks like an extinct voicano on Rank creek, in the Bad Lands, not far from Hermosa. Near the point where the creek empties into the White river, is a hill eighty feet in height. This hill, he states, vibrates and groans almost constantly. The men living in the vicinity week.

Large 15, 1896. Action deferred.

37.20 for care and attendance on Mr. and Mrs. Jacob Hanson, the old couple who were injured in returning from the old folks plenic on July 16. Referred.

The pay roll, amounting to \$2,173.51 for work on the Ogden canyon road, was allowed.

The board then adjourned for one week. The men living in the vicinity week. are given as authority for the state people were cutting their hay and anticipated no trouble. While we were in the canvon above the town a terrible hail and rain storm struck us, and we couldn't travel for an hour and a half.

As the town is badly located for floods it is feared that it suffered after that.

NEW YORK, July 27 .- The new one dollar silver certificate has proved very popular, and demands for it Dusenbury, secretary and treasurer of the academy, and Mayor Holbrook.

Professor Cluff, in a brief address, welcomed the ceachers, and expressed satisfaction that the secturers who had had no floods, but quite a bit of wet.

BEAVER, amount that will be issued for the present to any one bank, and the figure is fixed at \$500. have come in from banks from all

Professor Cluff, in a brief address, welcomed the ceachers, and expressed satisfaction that the lecturers who had been engaged were present and ready to commence the work assigned them.

Appropriate speeches were also made by Director John and Mayor Holbrook, each welcoming the toachers, and expressing hopes that they would be amply repaid for their attendance by percenting better qualified for the mobile labors in which they are engaged.

Professor Griggs is a young man of pleasing appearance and address, void of ostentiation in succeeding the manner.

Judge Hiles occupied the bench yesterday in the Second district court, hearing the case of Nathaniel Montgomery vs. Anton Rief et al.

He also handed down two important decisions, one the case of Mrs. Jane D. Brown Billings vs. Willis Brown.

In this case he set aside the deed as prayed for by the piaintiff.

The case occupied the better part of a week before Judge Hiles. The decree and findings will be filed later.

Bear River Valley Orchard company

Bear River Valley Orchard company vs. P. M. Hanley; the court announced a decision in favor of the plaintiff, ordering that temporary injunction issue as prayed for; decree and findings to be filed hereafter.

This gives the first victory in what promises to be a long legal controversy to the old board of directors and restrains those whom Hanley claims are the only legal officials of the corporation from interfering with the company's property.

BOARD OF EDUCATION.

The board of education met last evening and opened blds for repairs on the new high school building. For the carpenter work eight bids were received; that of C. M. Liewelling was the lowest, \$402.50, and he was awarded the contract. For the plumbing work only one bid was received, that of Miles, Stredell & Ulmer, \$1,355, and they were awarded the contract, the work to be completed in thirty days. For the steam heating and ventilating all bids rejected and new ones are so

CITY COUNCIL.

The striking feature of the city council's meeting last evening was a hot and acrimonious discussion on the subject of the alleged favoritism in the employment of men to work on the streets, with special reference to the employment of two sons of Councilman Hill in that capacity. The matter was sprung at the council's previous meeting and now came up again on the street committee's report on the reso-lution providing that no one person with a team be employed for a longer

To avoid malaria and fevers keep kitchen sinks, closets, waste pipes, etc., free from bad odors by using RED SEAL lye. Being strictly pure, it requires less than other kinds, contains no salt and is conveniently packed in sifting top cans.

period than a week at a time. The committee presented a majority and a minority report, the former recom-mending that the resolution be not adopted and the latter, signed by Tay-

Councilmen Taylor and Hill then went at it hammer and tongs, and the latter called the former a liar repeatedly and was called to order by the president.

The result was that the majority re port was adopted and the resolution falled to carry, Councilmen Ash, Green-

well, M. L. Jones and Taylor voting no.
The committee on laws reported,
recommending that the city treasurer
be allowed \$25 a month in addition to
his stated salary for his services as special tax collector, which

Miscetlaneous claims amounting to about \$400 were allowed, as was also pay-rolls amounting to \$1,768.

The dog tax collector complained that his fees were paid in city warrants instead of cash. Referred to the com mittee on municipal laws and the city

had notified the city hospital authorities that the institution had to be closed in accordance with the resolution of the council, and offers to rent the building were received from Drs. Coater and Gordon for a period of two tweets at 250 months and communications. Counter and Gordon for a period of two years at \$25 a month, and from Dr. Condon for five years, also at \$25 a month, which were referred to the proper committee.

The police and fire commissioners

asked for a number of guards to be assigned to guard the prisoners while working at the stockade. Referred to

the committee on police.
Councilman M. L. Jones presented a petition for the removal of the Five Points fire station from its present location on to property owned by the city. The petition was granted and it was found that an appropriation had been made for that purpose sometime ago but never used.

ago but never used.

The street supervisor reported that
the rails and ties of the Henderson
Bruker Street Rallway company had
been taken up and stored on city
property where they are held as
surety for the payment of the expense
of taking them up. of taking them up.

The ordinance providing for the im-

position of a merchant's license was read first time. The ordinance pro-vides for licenses ranging from \$5 to \$290 per annum according to the ex-tent of the business. The maximum amount is charged on business em-ploying a capital of \$200,000 and the minimum on that with a capital of less than \$500. The ordinance relating to licensing

bankers and brokers was also read the first time. It provides that institu-tions with a capital of \$100,000 shall pay a license of \$50 a quarter and those with \$25,000 capital or less shall

inose with \$25,000 capital or less shall pay \$25 a quarter.

The ordinance prohibiting bicycle and horse riding on the sidewalks was amended so as to exclude mall and newspaper carriers and recommitted.

The committee on finance was allowed further time to report on the bond of Collector Holbrook and the council addigment. adjourned.

ALL ABOUT OGDEN.

A project is on paper to have a creamery established at Slaterville. About 5,000 copies of the work will be distributed gratuitously by the cham-ber of commerce and by business men. A long and valuable list of prizes has been secured by the newsboys to be awarded to patrons of their excur-sion, July 31.

Railroad men say that the Fore-paugh-Sells train is a half larger than any other train of the kind that has ever come west.

Tonight is the occasion of the lawn fete and dance at the park for the benefit of the Free Kindergarten. Go and you will not fegret it. G. M. Schilling, the globe trotter who, for a wager, is walking from Pitisburg to San Francisco, arrived in Ogden on his journey westward yesterday.

Fred Meisner, the genial night desk sergeant at the police station, is more genial than ever nowanights, because of the advent at his home on Sunday of a ten-pound boy.

or a ten-pound boy.

F. Will Ellis is the able compiler of
the work. We understand he will soon
begin the publication of a monthly
here in Ogden, to be called the New
West Magazine, and to be devoted particularly to railroad affairs.

particularly to railroad affairs.

The book issued for general distribution under the auspices of the chamber of commerce is in the hands of the binder. The title page shows it to be an exposition of "the resources and inducements of the new state of Utah," including "facts for the farmer, fruit grower, manufacturer, miner, stockman, and home and invariance. Utah," including "facts for the farmer, fruit grower, manufacturer, miner, stockman and home and investment hunter." The compiler has done his work well and the work is arranged in a neat, attractive style, the descriptive matter being enhanced by numerous illustrations, well selected as to subjects, and well executed. The work is particularly devoted to setting forth the natural resources of Oedon forth the natural resources of Ogden and pointing out the developments al-ready made, as well as those that are

On July 31 the Rio Grande Western gives its Saltair Beach excursion. Train leaves the Ogden station at 8:45 a.m., and return special leaves beach at 10:15 p.m. and Salt Lake city at 10:45 p.m. Through cars will be run without change, transfer or delay in Salt Lake city. The association who are furnishing the entertainment at the beach and offering the prizes desire to give notice that the R. G. W. is the official line. All persons purchasing beach tickets via any other route will not be entitled to competition for the prizes, nor will the association recognize tickets via other lines. p.m. Through cars will be run without tickets via other lines.

NOTICE OF SALE OF MINING property.—Public notice is hereby given, that on June 5th, 1855, in the superior court of Hartford county, in the superior court of Hartford county, in the state of Connecticut, in a certain action then pending in said court, of O. R. Fyler, insurance commansioner, against The Charter Oak Life Insurance company, application in due form of law was made in soid court, in said action, by Ireace W. Rrooks and Edmund A. Stedman, as receivers of the said Charter Oak Life Insurance company, showing to said court among other things—

"That among the assets of said insurance company which they acquired by

mine, and also in connection with said mine certain machinery and personal property used in the operation of said mine."

"That by court proceedings and sale under order of court the title to said Moto mine and the machinery connected theyewith has become vested in your applicatis as such receivers."

"It now become successary to close out the few remaining assets of said Charter Oak Life Insurance company in order to enable your applicants to make a final dividend and settlement of said estata."

"They therefore ask authority from this court to offer the said Mono mine and machinery and any and all interest which they may have in or to said Actua Tunnel, for sale at public auction, to be sold to the person or party who shall make the highest bid therefor, said sale to be for cash upon delivery of the deed within thirty days after such sale."

"That afterwards to-wit, on June 13th, 1896, in said court, in said action, said court upon hearing of said application, made the following order, to-wit:

"Upon the foregoing application of Isaac W. Brooks and Edmund A. Siedman, receivers of The Charter Oak Life Insurance company, and on motion of Charles E. Gross, of counsel for said receivers, it is ordered, adjudged and decreed. That the said receivers be and they hereby are authorized and empowered to seil at public auction the rail and personal property and all rights connected therewith described in or referred to in said application, to be soid to the person or party who shall make the highest bid therefor, for cash upon delivery of deed within thirty days after said sale. "Said public sale shall be made in Sait Lake City, in Utah, during the month of August, 1896, and the suff receivers are directed to adverties said auction asie in two newspapers published in Sait Lake City, and also in the New York Engineering & Mining Journal, published in New York city, twice such week for four weeks preceding said sile; and upon said sale said receivers are empowered to convey to the purchaser said property and all rights th

all rights thereunder.

Now therefore, under and in pursuance of said order, and of the power and authority in faw in them vested, the undersigned, said receivers of said Charter Oak Life Insurance company, will, between the hours of 12 o'clock noon and 2 o'clock p. m., on Saturday, the 24th day of August, 1896, at the west front entrance to the city and county building, in the city and county of Sait Lake, in the state of Utah, offer for saie, and sell at public auction, to the person or persons who shall make the highest bid therefor for cash, upon delivery of the dised therefor by said receivers, within thirty days after said saie, all the right, title and interest vested in, and which they now, as receivers, as aforesaid, have, of, in and to the following described mining claim and other property connected therewith, situate in Ophir mining district, in Toogle county, state of Utah, described as follows, to-wit:

called the Mono mine, being more particularly described as follows, to-will.

Mineral entry No. 165 in the series of the hand office at Saft Lake Chy. Until, designated by the surveyor general as lot No. 46 containing 2.57 acres of land, more or less, and according to the return on file in the general land office in said city of Sait Lake, described and correctly described, with magnetic variation at 16 decrees 20 minutes east, as follows, to-wit: Bestiming at corner No. 1, a post marked No. 1, lot 46, there south 83 degrees, 30 minutes east, 1600 feet to corner No. 2, a post marked No. 2, lot No. 46, from which a fit tree seventeen inches in diameter marked B. T. bears north 71 degrees 30 minutes west at the distance of 21.5 feet, thence from said corner No. 2, lot No. 46, from which a fit tree seventeen inches in diameter marked B. T. bears north 70 degrees west at the distance of thriteen feet, and United States mineral monument No. 5, a fit tree seventeen inches in diameter marked B. T. bears north 76 degrees west at the distance of thriteen feet, and United States mineral monument No. 5, on a board nativel on the east side bears north 59 degrees west at the distance of thriteen feet and United States mineral monument No. 5 on a board nativel on the east side bears north 59 degrees west at the distance of 425 feet; thence from said corner No. 3 north 83 degrees 39 minutes west, at a distance of 500 feet, 100 feet to the plaze of beginning. A description of which is also found recorded in the recorder's office in said county of Toolei in book BB of records on pages 622 to 635 inclusive. Nevertheless, however, reserving and excluding therefrom all that part thereof which is situate east of the center of the ravine crossing said premises near-est the eastern boundary thereof, which is situate east of the center of the ravine for said premises near-est the center of the ravine for said stance above the north boundary of said premises near-est the same, and once worked in relation to said mine, that certain mini
